- Actively participate in beneficiary selection, beneficiary verification and beneficiary registration with MEAL unit
- Support WVA HIRO in receiving and inputting the beneficiary data into the LMMS, issuing beneficiary ration cards, generating BDLs and reports.
- Design and print food ration cards for cash assistance for selected beneficiaries based on WV policy.
- Ensure developing cash assistance plans, take the necessary approvals from various units including project manager, security manager and zone manager, and submit to cash, food and GIK unit for further process with the financial service provider (FSP).
- Conduct gender-sensitive market assessment of target areas for cash distributions to identify existing markets and women's market access.
- Implement all cash distribution-related activities under Food security and livelihoods and Nutrition sectors.
- Coordinate closely with the project manager to ensure timely implementation of the project activities and get readiness for timely distribution of cash for the target communities.
- Ensure that all cash distribution process and activities are in line with WVA endorsed SOPs and procedures.
- Ensure that proper community development practices and "Do No Harm" practices are incorporated and upheld throughout the implementation of the project.
- Provide regular updates to FSL technical and liaison officer, Cash and GIK unit on all project activities including beneficiary selection, verification and cash distribution.
- Travel regularly to all project sites to ensure proper implementation and quality of project activities and prepare cash distribution plan based completion percentage of the work.
- Conducting coordination meeting with community elders and line departments on cash distribution activities.
- Maintain excellent working relations with project stakeholder, partners and other contractors.
- Ensure project activities and hiring of the labours are in compliance with government rules and regulations.

- Raise and submit PRFs for selection of cash distribution contractor and contribute in selection if contractor.
- Represent the WV in cash and voucher working groups meetings in the provincial level.
- Ensure project activities are in compliance with government rules and regulations.
- Submission of monthly cash requests for project operations
- Ensure proper filling in a way that can be audited.

Mar-2021 — May-2022

Enumerator — Badghis , Afghanistan

CTG-IOM

Identify reliable sources for information (e.g. key informants (KIs)) to collect relevant, correct and realistic data of the populations of concern in targeted areas.

Liaise and build good relationships with relevant data sources, in his/her designated geographical areas, including, but not limited to, various humanitarian, NGO and governmental partners, as well as displaced, return and host populations.

According to the weekly or monthly operational plan, developed by the DTM Team Leader and DTM Management Team in Kabul, conduct relevant assessments/surveys in designated geographical areas where the populations of concern exist.

Assess multi-sectoral conditions (e.g. security, economic, employment, shelter, health, WASH, education, etc.) through direct observation and triangulate the qualitative information to facilitate its analysis.

Ensure the quality of the information collected by systematically verifying and correcting the questionnaire/form at the end of each interview/registration.

Sep-2019 — Feb-2021

Emergency surveillance Officer — Badghis , Afghanistan

International Rescue Committee

To track and report on military or political developments at the Provincial level that may result in instances of displacement, and report these developments through the Early Warning tracking report.
